VIRTUAL SYMPOSIUM & AWARDS LUNCHEON

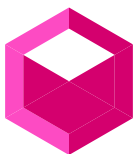

Thursday, October 14, 2021

The hallmark of the Symposium & Awards Luncheon is gathering the global cohort of BCRF researchers in New York City along with our cherished supporters. Given the uncertainty regarding travel restrictions in October, **we will hold the event virtually once again this year.**

Additionally the safety of our community, which includes breast cancer patients and their caregivers, is paramount to us.

We hope we can count on your generous support and that you will join us virtually on October 14.

Breast cancer is a complex disease with no simple solution. Research is the key to stopping it in its tracks. Founded in 1993 by Evelyn H. Lauder, the Breast Cancer Research Foundation is the largest private funder of breast cancer research in the world. We invest in the best minds in science—from those investigating prevention to metastasis—and foster cross-disciplinary collaboration. Our approach accelerates the entire field and moves us closer to the answers we urgently need. We can't stop now. Join us in fueling the world's most promising research. With you, we will be the end of breast cancer. Learn more and get involved at [BCRF.org](https://www.bcrf.org).
